<b>RE:</b>	Upper Providence Township Ambulance Membership Subscriptions

This past fall, the Upper Providence Township Supervisors made a decision that will affect how ambulance service is provided in the township moving forward. Upper Providence Township has elected to have Friendship Ambulance of Royersford house an ambulance at the newly constructed fire station located on Black Rock Road close to the center of the township. As a result, Trappe Ambulance will no longer be the primary ambulance to some of the area that we used to cover.

Trappe Ambulance will still be the primary Emergency Medical Services (EMS) provider in a portion of the township, but we do not know the exact boundaries of the area we will retain. We anticipate this will be determined by the spring. As a result, Trappe Ambulance will not be sending out membership renewals to residents of Upper Providence Township until the coverage areas are defined. Trappe Ambulance will honor the 2021-2022 memberships until April 30, 2022. Once we know what our coverage area is, we will send out memberships to those that are within our primary coverage area.

If you live in Upper Providence Township, please do not send us membership renewals ahead of time, as they will not be processed. We apologize for any inconvenience this may cause. We can also assure you that during this transition that your level of EMS service will not be impacted in any way.

We will be sending out membership mailers at the regular time for all other existing coverage areas. We thank you for your understanding and continued support!
